Backbox

The Zentium requires our specific J-box style back box to ensure correct fixings, enough cables space and correct alignment. The double gang back box is a special back box that ensure alignment of the lighting keypad and thermostat. If a Polar Bear Design back box is not used, it is the responsibility of the installer to confirm their suitability, prior to design and ordering.

Zentium backbox			SRP (GBP ex VAT)
Zentium Backbox 1g ZEN-BB-1G		Single gang, metal backbox	£ 41
Zentium Backbox 2g ZEN-BB-2G		Double gang, metal backbox	£ 48
Zentium Backbox IST ZEN-BB-IST		Double gang, metal backbox, suitable for the IST double plate	£ 52

Ursium

Ursium use standard UK back boxes (L&R tabs only). It is recommended that a 47mm deep metal back box is used to provide sufficient depth for the cabling. Only UK metal back boxes should be used.

Ursium backbox			SRP (GBP ex VAT)
Ursium Backbox 1g URS-BB-1G		Single gang, metal backbox	£ 8
